BSO: ~LAST WEEK~ Another game, another injury to a star player, this time Mexican marksman Che Gerro, on a run of scintillating form (two 9's as Sk6!) joins Frederic Abalsamo Moilinari in being ruled out for the rest of "BSO Season 1" - Post match comments from Eastville boss Burge claiming he was incensed by BSO mangers comments that his side was "dirty and aggressive" peeved Gaffa Croasdale even more. "How can he deny his side are aggressive when they sit 2nd in the disciplinary league and come to our place and get one sent off!" - Fortunately the ongoing press battle between the two managers didn't stop them sharing a post match pint and sorting out a transfer deal yet to be confirmed ~TRANSFERS~ It was thought Marky Mark had to move quicly to fill the gap left by Che Gerro AND two highly capped senior Pro's (Bo and Frang) both seeing a dip in skill - fortunately the offers came rolling in without the young entrepreneur having to enquire that far - the answer was to swap his two newly bought Ivanoffs for Eastville Hardman Luka Toth "We'll fight fire with fire this week" roared the Boss. STOP PRESS Big up to boys at the EFA for pushing thru what is probably the last season one deal, just before the deadline - Earlier in the week Black Widow gaffa Hart posted a cheeky offer for highly capped Cameroon Orr and saw it accepted in record time, as it was thought by the Black Star board his form off for the back end of the season wasn't in keeping with his highly 9 capped status and phat salary, despite the protests from Manager Croasdale - "I'll be back for the Orrs-man, maybe not today, maybe not tomorrow, but I'll be back --- Offers were invited from Bambino supremo Young, but when contacted the switchboard operator informed us of his urgent appointment with a Swedish masseuse! ~THIS WEEK~ A nice little trip to Joe Burreddiges Astro Road Stadium is the final game of the season for Olympic -- Cosmos's Top Swedish defender Mossen is in suspenders for this one, so a gung-ho approach may be in order to test the weakest defence in the division. Olympic keep Jordan "Air" Ryan in nets, Toth & Thorgerson line up in the back 4, Nein makes a 3 man midfield with Threeknives replacing Gerro in attack. Frang and Bo make a highly capped subs bench with International points tally standing at 15! ~LAST MEETING~ Frang-man notched the winner in the 63rd minute as Olympic ran out winners 1-0 at home with FCC picking up 4 bookings ~INTERNATIONALLY~ er um several BSO Internationals are planning there international holidays this week ~AND FINALLY~ Rumours are abound that the "helpful" transfer between BSO & Eastville may not be all it seems as the crafty manager Burge may put out a weakened side against title challengers The Kooks to help scupper BSO's own title ambitions!!! The transfer from the youth ranks of a skill one keeper confirms this --- Den Den daaaaan! --- The ongoing press battle with another manager, Mr John Weston, won't die down too. Having heard agent Ivanoff defending the Devon'ish based club MC sighed " Allesandro will say anything as long as he's getting a "fee" - BSO have only ever signed one direct agent player and that was from 'Nitro Cruso' - other agents are sharks with more misses than hits!!" -- Responding to other comments in the "TAT" Newspaper from Weston stating "My players were LUCKY to be sent off" - " I can only agree" mused Croasdale "They should of been strung up!" -- He did however agree with the headline "Mark is a great manager" ! -Mark 'Narcotic induced imagination' Croasdale later denied the rumour he told Weston to "kiss his ass" - " I would never show disrespect to another great einnek manager that's why i told Weston to eat shit!!!" - ALL QUOTES CONTAINED IN THIS ARTICLE ARE SUBJECT TO A LARGE DEGREE OF MISQUOTING FOR A CHEAP GAG AND AREN'T INTENDED TO OFFEND MUCH ----- Marky Mark laughed off suggestions his geography wasn't up to scratch by claiming Stoneleigh was in Devon. "What's 250 miles between friends?!" he churped. He did however state the star ship enterprise is being located for this weeks trip to FC Cosmos. ~AND FINALLY FINALLY~ Much to the bemusement of the FC Cosmos faithful, Mark Croasdale will parade the inaugural EPL trophy before todays game, hand crafted in ice by Reollic Elite manager Sinan Kubba.

ER: Manager Steve Burge was incensed by the pre match comments last week from Mark Croasdale of Black Star Olympic, accusing Eastville of being a dirty, aggressive side, out to kick the opposition. He even had the gall to say Eastville would be weakened by the suspensions of two star players. Well we have news for you "Croasy", We don't do star players here, and as for being weakened, maybe if we had a "full" side out, then we would have come away with all the points, not just the one we got with ten men. Were not dirty, but hard, physical, and willing to run our socks off for the team. Oh and for the record, "we loved it" getting a point in front of your silent supporters, just as our team outplayed you, our supporters out sung you. Still let bygones be bygones. Good luck next year in the prem.

Subs: Frobens Aartz 6, Wayne Pettigrew 7, DeeJay Denton -. SB: Manager John Weston slammed Mark Croasdale of Black Star Olympic of having a wild and almost narcotic induced imagination after his comments following BSO and Baybears 3-3 draw at Bay Square Road. Weston stated "he didn't even know where he was during the game - claiming that Stoneleigh was in Devon when it is 250 miles south easterly from there!" Weston commenting in The Rat a Tat Tat newspaper said "Mark is a great manager but he really must have been watching different game. My players were very lucky to be sent off and I did not instruct them to kick chunks out of BSO." Springing to Weston's defence was agent Alessandro Ivanoff, who was watching several of his former prodigies play for the Baybears said "Baybears were very unlucky and they showed true grit and determination." Weston continued "If I had asked them to kick the hell out of BSO I am sure that Mark would not have a team to field this week." As it is an important part of the season for both teams it was no surprise that there would be passion and aggression. Weston called Croasdale after the match to sympathise with Mark for losing his keeper but when Mark tried to make Weston apologise it is rumoured he shouted "kiss my ass". The newly formed rivalry between the teams shows no signs of calming down... Baybears took to the road this week to take on the mighty Laughing Kookaburras. Kookaburras started off brightly, beating the three man back line on three quick fire occasions to stun the visiting fans by taking a 3 - 0 lead. Shortly prior to the third goal Kookaburras found themselves down to 10 men on 32 minutes when Jouda Kalla Bongo was adjudged to have lunged into Paciano with what can only be described as reckless and disgraceful. The referee sent Bongo off without any pause for thought and rightly so. The sending off seemed to be the turning point in the game when Paciano smashed the ball past the outstretched keeper. Ki made it two on the hour mark with a brilliantly taken 40 yard screaming free kick. From then on in it was a Paciano master class again for the second week to account for the turnaround, scoring two more by the 84th minute. The travelling Baybear fans thought that their luck was changing as they witnessed their side turnaround a 3-0 loss into a 4-3 win before Aramis Chevalier leaped above the packed defence for a corner and looped a header across goal and in off the post to make it 4-4. Weston commenting after the game said "we were unlucky to go three nil down so quickly and unlucky not to have won the game. If we were tighter at the back and didn't lose concentration we could have taken them." One thing is for certain Baybears play some interesting football! Weston concluded "I'd welcome Croasdale to drive down to Devon for a drink; I won't be there as I'll be in Stoneleigh but he is welcome anytime to Devon!"

End of Season Update

With just the EFA Cup Final between Trafalgar Titans and Kenkai Bambino to be played, the inaugural season in the new Einnk One is now complete. I hope you all enjoyed the season as much as I did.

Some managers have played their final games this week. I would like to thank Fraser, Niki and Simon for their contribution to the success of not only this season but previous ones. Hopefully they will return to the game some time soon.

The website will be locked following the EFA Cup Final for review, but will re-open Wednesday afternoon with the first games of Season Two taking place in Friday 21st March. A full archive of Season One will be available as per normal but this will now be in the form of various PDF files. New, extended player histories will come on line early in the new season with much more information about every player who has ever played in this new version of the game.

Finally I have been talking with a few managers regarding the International setup and have decided to introduce a secondary qualifying tournament which will be played at the same time as the second, third and fourth EFA Cup Turns. Losing play-off side Russia, will be joined by new sides Wales and Colombia (as voted for on the forum) to play a mini-league with the winners playing in the two-legged play-off match to try and get into the full international set-up. You will be able to introduce players from these nations right now.
