Subs: Hiroki Tendo 7, Vippen 6, Erincha Howinho -. RE: A dull game at Black Forest Road came to life after Dixieland's striker Gunnar Wijkman was sent off for a second bookable offence. Deliverance shut up shop and defended stoutly, in particular Zajn Sut Kobak. However in the 80th minute Henrik Van Den Boon grabbed the winner with a long-range curler but in doing so suffered a thigh strain and will miss the next game at least. The Elite now hold the best defensive record in the league and Kubba was keen to highlight the performance of England keeper Bob Ritchie. It would appear the 40,000 or so fans who turned up to today's game were pleased with their keeper too as the chants of "Bob the Keeper - can he save it? Bob the Keeper - yes he can!" would not die. However some newspapers have called for more imagination amongst the Black Forest crowd when thinking up their chants.

BSO: Mass protests by thousands of outraged fans outside the ground this week as future international superstar Jostein "Demi God" Forways-Tate was bundled into a Ford Cortina boot and posted to the New Disciples. "I've never seen so many grown men cry" mused Olympic gaffa Croasy Croaster "I'm just hoping my 10 other internationals can keep this boat afloat". The first defeat of the season did little to quell the masses. A 4-3-3 formation against Baybears this week ends the disastrous trial of 3-3-4 last week. Chairman PG Monkcheek chuckled to himself "there'll be no Quartero given with new mexican signing in the defence this week" to the amusement of himself only.
