BW: It was a frustrating week for the Black Widows on the transfer front, with the closest Spencer Hart coming to signing a player being a debate over the cost of a C team player. Several non-replies and unrealistic overvaluations later, Hart was in a stinking mood by the end of the week! TEAM NEWS: Wild Rents gets his debut between the posts, while the investigation into understudy Eduard Balk's failure to feature for the Russian B Team last week wrangles on. Tychon Vanderflore looks likely to get the nod on past reputation with Spencer Hart convinced the Dutchman will come good and still has an international future ahead of him if he works hard.
