EE: After a poor run of form going into today's game and the fact that Burton was unable to acquire an extra skill 5 in defence the manager in not holding out much hope for today's game. Burton will have 4 skill points returning after the friendly but a draw is still expected against the BIG BAD BAMBINOS KB: Ten capped French keeper, Hippo Pixii has tabled a transfer request, but is still named on the bench today. The French number two 'keeper' is expected to collect at least another four caps this season, but with Blade Chaparro back to full fitness, it seems unlikely that he'll get much first team football. Wouter Bos is also believed to have been in talks with at least one other club, although Kennie J Young is keeping tight lipped - for a change....

RE: Two excellent wins on the trot for Elite, with lower division West Leigh Warriors not causing too many problems for Reilloc in last week's cup game. New signing Lochaber did excellently to score his first hat-trick for the club. The big news this week is the promotion of youth player Romano Bellisa. In this week's programme notes it says that Romano is a bit of a ladies man who likes to gamble a bit on cards - sounds like he'll be a top-flight footballer in no time.

Pirates on a dismal run, losing in the cup to his mate Steve Farnden's Walmington, and Nellie Hurst is now Kacking his pants in case he loses to his local rivals ER. Steve Burgey Boy is confident his full strength team will win. He stated "Full strength, no injury worries, we are really focused on beating the pirates, and putting on a fantastic display for a near capacity sell out. We have nothing to fear." ER warmed up for this encounter by holding premier opposition BSO, in a 1-1 draw with a weakened side, just to show how strong his squad is. Croasy was not best pleased with his side being out played in this friendly. IP: Pirates boss Hurst keeps faith with Bagpus his new signing for this local derby. 'We are full of confidence going into this game and expect to emerge with all 4 points' Hurst said at the pre-match interview.... Although ER have a dirty reputation Hurst went on to say 'we will fight fire with fire....' 2-3 prediction to the away side...
