Decio also came in as a backup keeper with Gronemeyer leaving the club. Zilvastra, Mirza and Huneberg also left Elementals with Burton having a mini shake up in the squad. Also an 11th hour deal sees Jay Columbo take his place in the squad with Columbian Valenciano going the other way. ~THIS WEEK~ Burton travel to Super Marios Veleno, Burton does have 2 extra SP's in his team but isnt expecting that to make much difference in what will be a very tough game! SHOCK NEWS - Valentine has retired from football. After amounting 24 dips in 11 games Burton sat down with his midfielder and after a lengthy discussion it was decided football wasn't the best career choice for him and Valentine has now taken up the profession as a bounty hunter! ~INTERNATIONALS~ Centeno could figure for Argentinean B team this week with a good performance for the elementals. ~YOUTH TEAM~ Burton is happy to see the Youth team going weekly which should speed up the whole process. Thandiwe who was promoted the other week will get another chance to shine in next weeks friendly

Fans are up in arms, not with the deals as such but with the timing. With the Disciples top of the league and the business end of the season approaching, many fear the amount of changes will send their title challenge careering off the tracks. Davenport bemused fans further with the announcement of today's team which sees them line up in a 343 formation and the omission of star signing Zalo Zilvastra. When questioned by reporters before today's match at Walmington he offered no explanation as to his bizarre team selection, merely stating "the season is bigger than one game, and the future of the club is bigger than one season".

Returning to the side are Pavel Zookov after Eduard Balk's B-team mini-adventure, while Damien Cosette and Kennedy Pink could also feature for their respective B-teams today. YOUTH LEAGUE UPDATE

This week should have seen the first of the weekly Youth League turns. However, an issue with the code has led to some player skill issues which I am working on fixing. Playing another turn this week with the problems still not fully resolved will only make the situation worse, so there will be no turn until next week. Sorry for having to do this, but I am sure you would all rather the Youth League is running correctly before we continue.
