BSO: ~LAST WEEK~ The tiny village of Blackburn was over run with 20,000 pink shirted Bambino's last weekend as the Kinkai men came in force but were conquered by a resilient Team FB outfit who fought back from 1-0 down to muster a win with a long range back ward header flick from Hector Baldivieso and a two foot pronged scissor kick from Kaja Sinis both scoring their first goals for the club, indeed Hector was on his debut with a superb 9 rating amazingly the fourth player this season to score on his Olympic debut ... as defender Kaja won MoM ~TRANSFERS~ The transfer kitty is bulging at nie on half an eight figured sum, will anyone's eye bulge with such an offer ?? Ongoing negotiations with fellow semi-finalists Dirty Justo the Leeds fan er ... i mean Justo the Dirty Leeds fan and talks with big Mick E Mick at Tiddlecombe are ongoing as Gaffa Croasy is keen to strengthen in a pre semi-final deal with the large transfer purse at his disposal ~THIS CUP MID WEEK~ Excitement is reaching fever pitch in the cobbled streets of Black Star as a first ever NGE Tuesday fixture is played out, chalkboard schools will close early, wippet factories and the cotton mills will shut at midday to huddle round the wireless and follow the events at big city Tormentia Stade Huelga De Relámpag or will it be a neutral venue (Hambrox ??) For one of the biggest Semi Finals in EFA Cup History since at least last season ~TEAM SELECTION~ DLG is back in goal for Tuesdays game following Fridays rest ~PREVIOUS MEETINGS~ No league games but research is to be done on chance cup/friendly meetings..... ah yes, Season 2 Cup 2nd round Olympic ran out 3-1 winners at home, with Strakerman and Pero notching P1 W1 D0 L0 F3 A1 ... ~INTERNATIONALLY~ DLG (not to be confused with bearded corn flake elderly DJ) looks to help the Spaniards win a game, but with the last 4 in the B tournament being named as Sweden, USA, Sth Africa and Italy it may all be in vein ~YOUTH LEAGUE~ DLG average rating is an impressive 7.67 which would put him top of the goalkeeping averages if it weren't for his lack of games with the 14 game qualification rule ~LANCASHIRE BASED TREBLE CHASERS~ Big plans are afoot (subject to today's result) to crank up a special Mark E Mark cup final song ready to be released after the final whistle via the Einnek Forum and possibly Youtube a take on "Ossies Dream" will be transformed to "Croasy's Dream" with all the lyrics reconditioned with a Black Star theme a guest rapper may perform, naturally Ossie Ardiles having Tottenham connections (although his did have a spell at Blackburn in the Steve Archibald era) so well renowned Blackburn fan and occasional Spurs fan Steveo Burger will be invited to do a Johns Barnesesque rap mid song Gaffa Croasys long suffering wife to be is roped in with camera in hand to record the magical musical performance. ~MANAGER QUOTE~ The BSO Bossman commented at a hastily arranged press conference "Not one bit of this song will be shit" as a quality guarantee to music fans everywhere.... one time.... ~WHERE ARE THEY NOW~ Amazingly 5 former BSO starlets all swapped clubs in the last few days Bogdan Zvonimir, Ray Mulvane, Kopano Thandiwe, Genio Gabriel Juarez and Riquelle Vrooman ~BRYN KENKINS THOUGHT OF THE DAY~ Bryn was today wondering if Ned Flanders son Todd was in anyway related to Todd Landers off neighbours ~AND FINALLY~ High skill point Semi line up Kenkai Bambino +13 v Elland Mythicals +10, Tormenta Advertencia +9 v Black Star Olympic +15
