BSO: ITS TIME... TO FACE... THE MUSIC! ~LAST WEEK~ A decent 1-0 win over the Mentals with a debut home goal from Piero Schiaparelli saw Team FB go top until a 3rd goal in the 87th minute for the Radioactive boys took the title to Sunset Road with an awesome 3-1 away win ~TRANSFERS~ a few monsta offers put out but no takers at time of press ~THIS WEEK~ Its the Big one against the Big Man..... it seems like a home game with Black Star choosing the ticket price and advertising spend..... not to mention the 90,000 Team Funk Bunch ultra fanatics streaming in from the tiny village ~TEAM SELECTION~ 2chins 2 yellows last time out means he misses the big clash.... Dauntless deputises.... Bambi gerryhattrick skipper Orr sits it out after he gets suspended too, a big relief for his tired old legs and prosthetic hip.... Funny goings on in the Grange Manor hotel complex the night before the big game heard Team Funk Bunch senior Pro's giving it large all aled up and having a reet royal sing song "He's fat, He's round, He rolls along the ground, Kennie Jay... Kennie Jay... He's fat, He's scotch, He'll eat the bloody lot, Kennie Jay... Kennie Jay... He's Young, He's old, He's goin slightly bold, Kennie Jay... Kennie Jay... He's fat, He's pink, He takes it in the stink, Kennie Jay... Kennie Jay... "before being chucked out and forced to sleep in the team bus !!... ~PREVIOUS MEETINGS~ Its the 8th meeting between these two modern day giants of the game, and the 4th this season!..... S2 AL 1-3 HW 4-3, S3 AL 2-3 HW 4-2, S4 HW(F)2-1 AD 3-3 HW 2-1..... P7 W4 D1 L2 F18-A16... ~INTERNATIONALLY~ Magic Man Jesse Dash has his headlights on a cup double and become the 1st Black Star to win the premium prize of the World Cup... ~YOUTH LEAGUE~ All 10 EYL players are gagging to team up with senior squad but Gaffa Croasy has his concerns over fielding a full 11 youths considering 2 of his current 10 are keepers!... ~WHERE ARE THEY NOW~ Tom Hookton and Olegario Souzas recent transfer between the KenKai giants means their facing their old club again ~LANCASHIRE BASED TREBLE CHASERS~ The season one 3rd Division championship pot remains the only tangible silverware in the Hole-'th'-wall trophy cabinet despite the season two 'joint top' Prem finish, the Burty alternative Prem table of season three and the Clincho 'real' Prem table of season 4 :)... So the Cup final presents the last chance this season to keep the cup cleaner busy although Mark E Mark remains a strong candidate for MotS ~MANAGER QUOTE~ "The Prem is becoming my own personal Holy Grail"... "Next season we hope to build a 5 point lead going to final day, that way we can be sure" he chuckled... ~CAPTAIN QUOTE~ Olympic legend Jaimenacho Mendiguchia (still in top 20 all time midfielders) retired this year and remains the only Black Star captain to hold a trophy aloft prompting current skipper and Brazil kingpin Shimmy Shashino to promise "We'll win this one for Mendi, and it'll also give the Gaffa a good excuse to try a few tinnies on a schoolday!" ~BRYN JENKINS THOUGHT OF THE DAY~ Its been the best season ever whatever todays results brings... i'd never thought the BSO Bossman would be getting emails of legends like the Henf saying 'good luck with the Double !' mused Bryn.... todays line ups should mean a BSO (+17) v KB (+10) advantage.... Schiaparelli 60 domestic goals, Dash 37 and Kubota 46 should have enough goals to trouble the pink Pixii... ~AND FINALLY~ Another skill 6 will be nice from the upcoming Cruso draw.... unfortunately Gaffa Croasy won't be able to make the trip to London yet again tending to his pregnant fiancé!, although he will be raising a glass in honour, if allowed :)~...

KB: For the friendly at the start of the season, the Bambams and the Olympians shared the Grange Manor hotel complex, ten miles from the Olympic stadium and that resulted in hangovers for most of the Bambam players and a resultant defeat. This meeting, the Bambams are staying well away from Uncle Elmer and his Fudds before the game and drinking has been banned, (until half time, when the Bambams will all have their customary half-time Guinness and blackcurrant). Dele Orr is out for the final, thanks to the booking he received after taking a throw in and deliberately using Adam Reardon's face as a wall to bounce the ball off. Although Reardon's eye closed over, due to the ferocity of the throw, it was a legal throw and he was booked for poking Adam Reardon in his good eye, when he complained about the deliberate assault! Big Josie resigned Tom Hookton as a replacement and brought fellow Aussie Jez Rocky and he has played the two Aussie Giants in the centre of defence. Goodsen Myambe received a surprise starting place in the Bambam's line-up, after Kinichi Ki moved across the city to Veleno, as part of the Hookton deal. Big Josie told reporters that he was looking forward to the final and wished his good friend, Uncle Elmer an enjoyable game, watching how real footballers went about winning a match. News was leaked that the Bambam's mascot - usually a large rubber boulded bably with a nappy on - will be changed for the cup final, to be a large rubber parody of a naked Uncle Elmer Croasdale, complete with a frothing pint in each hand!

AUSTRALIA ARE SEASON FOUR WORLD CHAMPIONS									

SEASON FIVE

The final league fixtures of Season Four are now completed and there are just the EFA and World Cup Finals to be played. This happens on Monday and after that the site will be locked for a couple of days in order for people to review the season and start their thinking for Season Five.

The preparations for Season Five are well under way and the changes relating to the Youth League are looking good. The changes are on course to be ready for Week One starting on Friday 23rd October, but if there are any issues I may defer the Youth League until things are totally right as I do not want to affect the main game in any way.

Some more in-depth details of the changes for the new season are in the Week 22 turn. Please have a good read and feel free to email me with any comments, concerns or questions you may have. There are a couple of changes outside the Youth League integration; these are mainly addressing issues people always comment on as things that annoy them or just do not really work. Nothing major though. A complete list of changes will be posted on the forum and the rule book will be fully updated before the new season starts.

Thanks to everyone who responded to my emails. Just one manager failed to reply and I even broke my rule and chased them up. Today we do see the departure of four experienced managers Dave Atkins, Paul Davie, Mike Dobson and Jamie Fitzjohn. In their own individual ways they have helped make Einnek the successful game it now is and I hope they all enjoy whatever they get up to and hopefully we will see them back in the fold one day.

You should have received your email regarding payment for Season Five on Saturday, if not please let me know. Please note that your fees are due by October 23rd.

NITO CRUSO NEWS

Top agent Nito Cruso has clocked up an amazing number of frequent flyer miles in the last few weeks checking up on his latest batch of players. Every side will receive a senior first team player and a youth player in the draw.

These players will be made distributed on Saturday 17th October at the meet-up and will be in your squads the following day.
