EE: ~LAST WEEK~ A very satisfactory 3-3 draw against the Black Widows. 2 points away from home is always a decent haul and Burton needs to consolidate those points with a home win this week! ~TRANSFERS~ Just one deal this week but it was a considerable one. A move that sees the 2 Germans head south along with Venceslas and Espiridon who never settled in the midlands after a move north from Tombstone Trojans. Sciaperelli, Prettyleg, Dealauney and Spivak join the elementals fold. Spivak and Dealauney were previous Elemental players and are pleased to be back after a short stint at West Leigh Warriors. ~THIS WEEK~ Burtons Elementals meet BSO this week; Elementals are just giving away a 1 skill point advantage so Burton hopes being at home will see them through. Burton finds himself 2nd from bottom in the league, however having only played 4 games at home out of the 10 so far Burton is hoping he will move up the table in the next few weeks as the next 3 out of 4 games are at home in the league! ~INTERNATIONALS~ Kirriemuir should play some part in Scotland's match this week. ~YOUTH LEAGUE~ Back to business this week with the new format; players are all raring to go! ~AND FINALLY~ A message for Mark E Mark. Subs: Zander Lund 6, Hendrix Carrow 7, Perseus Blatherwycke 6, Dobie Rush - . BW: With one league win in the last five leaving them sitting like a swollen turd at the sink end of the Prem, things doesn't bode well for Black Widows at the halfway point. And with an away trip to the Radiation today, things don't look like improving any time soon. On the plus side, Spencer Hart believes the squad are on the cusp of becoming a team capable of shooting up the table (being the only direction to head in), but doesn't feel this will happen until the final third of the season ... which could well be too late. TEAM NEWS: Kayll Devonald's lacklustre three-goal misfire on his debut last week wasn't what the manager was hoping for when he forked out for the promising Aussie, but a lack of competition gives him another shot between the posts this week. The only plus-point in the game was the performance of Arquimedes Zulo, who at last showed some of the form he is capable of and with the player entering a critical phase in his career; Hart has urged the player to repeat his commanding performance today. Joining him in a back four is another new Cruso in the tough-tackling Slobodan Ciric. In midfield, Erasmus Sax gets another - and possibly his final - chance to impress after no-one came in for his services this week. Up front, Hendrix Carrow went from the highs of a debutant hat-trick hero in the cup two weeks ago to a rating of 5 and minus each last week, with first-team football looking unlikely in the near future. TEAM NEWS: Come on chaps, get your team news in - it only takes a minute to add something about the team each week! :)

New signing Viro Cirino makes his debut after signing from Black Widows and Leroy Joshua Lee returns to the squad as the Hearts switch to a 424 formation for the visit of Tombstone Trojans. LAST WEEK: Some poor defending saw the Hearts go down to a defeat away at IKB Pirates, which saw them fall in the bottom two. Alvino Mosconi put in a good shift, though, scoring the Hearts' goal and picking up the man of the match award. TRANSFERS: Defender Tomasso Tatarella called time on his career after breaking his leg in a training session at the start of the week. The management have been looking for a replacement for the Italian but have failed to secure a signature before this week's match. The management were said to be delighted, though, with the signing of Scottish forward Hawley Maclechrist who signed on the dotted line from Winchmore Radiation. In a deal that saw Argentine 'keeper Marcio Yunque go the other way, the Hearts also managed to capture the signature of Brazilian shot-stopper Niildo. Cruso defender Slobodan Ciric has moved to Black Widows in exchange for Spaniard Vito Cirino.

Burgie was quoted as saying, "They came and had a DIG at us, but we PLOUGHED A FURROW right through them, and SOWED OUR SEEDS by sticking the ball in THE ONION BAG. Farmers had no answer to the GREEN SHOOTS of recovery by us, and ended up looking like OLD HAY at the end. Perhaps "No Fingers" needs to do a bit of PRUNING before the return game, and WEED OUT the DEAD WOOD to CULTIVATE his side. I did offer him a FLAGON OF CIDER at the end, but he needed to shoot off on his OLD TRACTOR to get home. Burgies parting words "Well the CHICKENS CAME HOME TO ROOST"

## YOUTH LEAGUE UPDATE

Following on from last week's announcement regarding changes to the Youth League, I am happy to see that the vast majority of you are broadly in favour of the changes.

Implementation is taking somewhat longer than I anticipated due to non-Einnek work pressures which have to take priority if I want to eat, etc. The restart will be delayed but I hope not by too long. I will announce a date as soon as I can.
