It gave the manager another chance to look at Reanezo and Angelillo whom he rates very highly and they did themselves no harm again. Both players will definitely get some regular first team action in the near future. ~TRANSFERS~ Burton completed the signing of Benji Colas this week who he rates very highly. However it came at a very high price and Burton hopes that he will repay him with some sparkling performances. ~THIS WEEK~ Burton is away to title favourites Celtic Hearts. They do have an injury to a key player but Burton would still be happy with a draw with the quality they have got in their squad!! ~INTERNATIONALS~ Hammerfox will play for USA, Wantanabe for Japan, Arillo for Columbia with outside chance of a cap for THE YAK ~YOUTH LEAGUE~ Delayed again but changes do sound promising so worth waiting for when finished
