Subs: Tamati Tane 7, Pablo Sarmiento 6, Magic Zambezi 8.</p> <p>CH: Hearts look to bounce back from last week's disappointing 1-0 reverse at Druids in this week's home visit of Kenkai Veleno. 4 changes are made with new signings Israel Torres &amp; Ziziinho making their debuts whilst Takefumi Nasuki makes his debut in midfield after missing last week's game through injury. Italian youth products Cesaré Graziano &amp; Piassi Giacobiccho come into the squad with Graziano starting in defence &amp; Giacobiccho named on the bench. In other news manager Stu Henfrey('the' real SH) laughed off reports in tabloids that his real name is in fact Cuthbert due to an obsession with 'the'(don't make me laugh!) Stewart Herd. In the pre match press conference Mr Henfrey stated "Seems to me that Mr Herd's the one with the obsession seeing as he writes about me &amp; my side virtually every week! &amp; as for rumours about me copying his playing style, if that were true then I'd have 11 mindless thugs running about the pitch!"</p>						
FC Leithen	v ELA Elementals	3-3	29,827	£25.00	51:49	Elijah Starling

Subs: Nique Lisle 6, Larrs Skovengberg 6, Louis Van Dosmon 6.</p> <p>EE: ~LAST WEEK~ Elementals secured their first win of the season albeit against the run of play. ELA scored two early goals but then sat back to deep and were bombarded for the next 70 minutes. Burton saved special praise for his defence especially Christmetz and Hammerfox who were rocks throughout the game and seem to be forming an excellent partnership at the heart of the defence. ~TRANSFERS~ Burton has made plenty of bids this week but the only deal that went through was for Gerro, Lisle and Erlings. Burton has liked the look of Gerro and Lisle for a while now and is glad to have them in attack. Burton's attack is looking pretty complete now and Burton will now focus his efforts on other areas of the team. This deal also saw Dremidydd, Sju and Zuravel leave the club after just one week at the club. ~THIS WEEK~ Burton and his squad travel to FC Leithen. They are without a win which doesn't bode well and as Elemental are a skill point down anything from this game will be a bonus. Burton is hoping his attack start to sparkle after an average start in front of goal. ~INTERNATIONALS~ Goldswift will start today's match for France and Delaunay has an outside chance of making the bench if any of the strikers in front of him become unavailable. ~YOUTH NEWS~ The youth team are back in training in readiness of the leagues resumption. Reece Burton was recruited pre-season and now Lennart Kfister has been recruited by the scouts after watching him over several weeks in the lower leagues. This feels like a new start to the Youth League so Burton is more worried about player progress than ladder positioning at this stage with younger players being given a chance over the better players in the squad.</p>

Subs: Orpheus Bittercreek 6, Graydon Harding 8, Hendrix Carrow 6.</p> <p>BW: TEAM NEWS: Patrick Otter gets his first chance to show what he can do with the gloves this week at the expense of Barrio-Lomas, who has made several high-profile cock-ups in both outings this season. His frustration of not breaking into the Columbia first team is cited as a distraction for the ambitious Bull acquisition and Spencer Hart reckons a wee break will do the player, who showed some promise at the end of last season, the power of good. Carluccio Bonaventura is expected to make his final appearance for Italy today, but although Spencer Hart has admitted the defender's retirement from the league is inevitable he hasn't put a date on it. The biggest transfer for Widows this week saw fellow centre back Jacobus Servaas depart for three players the manager has high hopes for - Heinz-Wolfgang Schnauer, journeyman Dragan Sut and the promising Erasmus Sax, who gets an immediate start ahead of Graydon Harding who is still recovering from the horror tackle received in week one. Up front, the manager bathed in the luxury of having to choose who to omit from the starting line-up with Hart favourite Hendrix Carrow also being chucked into the mix. Kazuyhiro Kubota is a week away from a start, so Widows opt for a three man attack with Sut narrowly missing out to Jacob Milaberg.</p>

WR: ~LAST WEEK~ Yet another draw against Black Star, 5 out of 5! ~THIS WEEK~ Fellow promoted club Elland Mythicals arrive at Sunset Town Road. Former players Sallezares (1 bench app) & Denys (1 app) are in the Elland squad but both unlikely to feature. Rumours of a 523 formation abound to accommodate new signing Guiharda? Debutants in XV: 3 (Guiharda, Waymouth, Kobus), Home grown players in XV: 0!! ~LAST MEETING~ Lost 3-4A penultimate game of last season! ~HISTORY~ P2 W1 D0 L1 F8 A 7 ~TRANSFERS~ Katoamataau left for OPA with 6 quality players being an offer too good to turn down. ~INTERNATIONALLY~ Despite having more international caps than any other team, no Winchmore player is expected to get a cap this week! ~WHERE ARE THEY NOW? ~ Wynk (27 apps) joins new side Farmers Inn for straight cash (and cheaply in my view!), Gok (1 app) & Thomas (39 apps, appearances record for a striker at Winchmore!) join Trojan in a double swoop that will surely boost their promotion hopes, Tatarella (3 apps) moves yet again, this time to Gorgie, but is expected to be retired before end of season, Watamura (1 app) joins Dobson, whilst biggest surprise of all is that both Torres (17 apps) and Ziziinho (45 apps) have joined Septic Hearts. This adds further fuel to the rumours that Stuart Henfrey is yet again copying the tactics of his idol Herd in order to try & achieve success! A Sunday newspaper has also made a claim this week that Mr Henfrey's real name is in fact Cuthbert, but he changed it to Stuart due to his obsession with the Winchmore manager back in the early 90s days of Einnek 5 ... ~DID YOU KNOW..~ Amiliana and Coffman are the only 2 players to have made an appearance for Winchmore in each of the 4 seasons of NGE! ~AND FINALLY~ The club shop has withdrawn from sale "Chris Page's guide to valuing players" following zero sales in 3 months ...							
EM: First two games of the season out of the way against the big TWO of the division, and 2 points on the board. This will be a long and hard arduous season, with the Mythicals likely being the weakest side in the division. The press are commenting that is why there is either likely to be or we are in the middle off a fire sale at the Ruwi Galacticus Complex. Next up, a trip to our old friends the Nuke Boys. Another defeat on the horizon, but if we go down fighting scoring many goals along the way, it may just be the bonus points that keep us in the division. Highly unlikely mind.

### YOUTH LEAGUE UPDATE

Work on the Youth League has finished and you are able to fully manage your youth teams. The next round of games will be next week, following the Week Four turn. Remember that you now have only 5 Training Points per turn, but you can carry them over to next week, so there is no absolute need to use them right away. As always, if you spot anything which looks wrong, please email me so I can check it out.
