

## EINNEK NEWS

Welcome to the weeks Cup Quarter Final turn. Good luck to all involved.

A number of people have this week asked if Friendly Challenges count with respect to ratings, runs of 9s etc. The answer is yes – all club fixtures count as a senior match be it league, cup or friendly. Strange I got asked this week as the rule has been in place for 4 seasons!

### Pay Rises

A few of you were caught out by the change in pay rises not helping morale any more. Just goes to show how not reading the PDF turn or the blog or the forum can leave you at a disadvantage. Maybe I will announce more here in future?

Have a good weekend and don't try running backwards,

*Richard.*

EE: ~LAST WEEK~ As expected Kennie fielded his cloggers and did a number on Reardon, "when will enough be enough" said the Mentals Manager. However despite this a 3-3 was a very good result which leaves ELA 4th in the table. With only 8 games to go its squeaky bum time now as we enter the final 3rd of the season. ~TRANSFERS~ Burton was busy in the transfer market again this week with 7 in and 8 out. In came Nalin, De Groot, Ljubicic, De Ascentis, Querudo, Kemp and Gallowraven and out went Okada, Eriq, Dahlstrom, Plesak, Ibu, Akerstedt, Royce and Filatov! ~STOP PRESS~ Burton did another deal late in the week with the sale of defensive rock Reardon, he had been injured in the game with Bambino and with 2 important games coming up Burton cashed in and bought Raula and Van Maanen back to the club. This was a big deal and finished his 50 deal allocation nicely. Burton has now purchased another 10 deals that should see him through the next couple of weeks :-D ~THIS WEEK~ Its the magic of the cup again and Quarter finals time! ELA have a tricky away to former boot boys Tormenta. This would have been made even more difficult with the injury of Reardon, however with the purchase of 2 quality defenders hopes are high at ELA. ~INTERNATIONALS~ Nothing this week ~YOUTH TEAM~ Yet more sales have left the youth team looking a bit depleted in quality. After a promising start to the season players have been moved on and Burton is not expecting much in the final few games of the season. ~AND FINALLY~ Max Steel paraded his best name of the week trophy through the streets of Coventry in an open top bus, thousands of fans donned the pavements to celebrate this fantastic achievement</p>

A handful of today's team will be hoping for caps or to at least stake their claims for them in the coming weeks - Leonardo and Quesada are long shots but Kaja Sinis and particularly Tam McEwan are up for career-defining internationals. YOUTH TEAM: Tough tackling Heron Tanner Broque has eventually been snapped up after Mr Hart failed with a bid over the festive period, and is joined in the starting line-up by Prosper Rave, who is seen as 'a raw prospect more than a little rough around the edges' but with as much potential as Big Spennnda has ever seen in a youth player.</p>
