

EINNEK NEWS

Hello and welcome to Week 17. The final round of group matches in the internationals are being played today and draw for the quarter finals will be made today as well.

Youth League

Due to some coding issues, the new Team of the Week and stats will now not debut until the next tournament. The code for the Youth League is slimmed down and much of the data collection is not in place for me to produce the stats quickly and time restricts me from doing this right now without a big hold-up to the turn each week.

There has been an interesting suggestion from Mark Corder on the blog relating to players being promoted from the youth league. Please check it out and pass your comments as in theory the idea is very sensible and should be introducible with little work on my part while enhancing the value of some youth players.

Have a great weekend,
Richard.

SAMMY BULL

Player	Nat	P	S	A	F	Age	T/Fee	Club Bought
Victoro Marroquin	ESP	A	5	4	10	21-4	£2.5m	West Leigh Warriors

Mr Bull has announced he will not be making any further players available until after Easter while he reviews his operation from top to bottom. Lack of interest in his players has astonished the veteran agent and he has promised the next batch of players will be better than they have ever been.

Sammy Bull's players have a better chance of stardom as they have already had some success in minor leagues. The value of these players is not displayed so you must consider your valuation before submitting a bid. You can bid as often as you like up to your current bank balance, however each unsuccessful bid will cost you a £50,000 administration fee.

Allessandro's youth players are considered to be the International stars of the future. To purchase a player from Allessandro Ivanoff, you bid in the same way that you would for a player on the transfer market, by submitting a bid on the website.

More alarmingly they are still to score 3 goals or more in a league game & gain a bonus point. Both of these facts are threatening to derail any serious title challenge & manager Stu Henfrey has urged his players to go out & put both of these points to bed this week. "I'm able to field my strongest XI for the first time in a few weeks & with the players at my disposal & experience in every position, there is no reason why we can't go to Tormenta & come away with not only a win but a 4 point win" he stated in the pre-match press conference. He also revealed that he had turned down 2 bids for Einnek superstar Gallies Andrés. "Both bids were rejected out of hand & i have not even considered selling him & if i were then it would take a lot more than what was on offer in both bids!" Mr Henfrey stated. Hearts make 2 changes to the team that lost away at Prophets, with new signings Ambroise Vaugrénard & Graydon Harding coming in to replace the departed Quantizão & Severin Célestine dropping to the bench. In the youth league Hearts entertain Gainsborough Town & Stu Henfrey is confident of making 2 wins from 2, after last weeks 2-1 away win at Mythicals. English attacker Addison Royce is looking continue his fine form having been mom in his 3 games so far to add to his previous mom performance for ELA prior to joining Hearts.
