

## EINNEK NEWS

Hello and welcome to this week's turn. This week sees the league fixture reach the mid-point of the season.

### Suspended/Injured Players International Eligibility

At the start of the season, the rules were altered to allow players who missed their last club game through injury or suspension to be eligible for international selection if they were free of their ban or injury. It appears I was not as clear in the explanation of this as I could have been. Many of you appear to be under the impression that a banned or injured player will slot back into the international selection lists as if they had played for their club. This is NOT the case. These players are considered as having been unselected players and are eligible for selection just like club side substitutes. **In essence all banned and injured players are considered to have been on the bench for a club game when an international side is selected.**

### Statistics Update

I am working on the finer points of the compilation code to get all the information available and more importantly correct. All being well this should be ready for next week.

### Meet Up – Saturday 25<sup>th</sup> September

If anyone is looking to come along on the evening, please let me know. Numbers are important when deciding where we will be going. In answer to some manager's questions – there will be a Cruso player draw, but it will be in a different format from before. More news next week.

Have a good weekend,

*Richard.*

CH: Hearts flying start to the season seems to be unrelenting following last week's 4-3 win at Veleno that took them 7 points clear at the top of the table & earn't manager Stu Henfrey another nomination in MM's MotM. Hearts now have back to back home games starting with nearest challengers Winchmore Repetition. Hearts go into the game with key defender Aztec Escondido injured but Stu Henfrey has bolstered the starting line up with attackers Aoengus Blade & Bakacka Mo coming in, whilst Archibald Gilbraith will make his 1st senior start following his move back from Real Nerrad.

Burton expected a win but got second prize of a high score draw. ~TRANSFERS~ It was another quiet week with only the purchase of Gjis in 1st team and a small addition to youth team! However two last minute deals have kicked it into life. It seems crazy to think at week 11 the league is over but Celtic Hearts look unstoppable and with ELA out the cup Burton looked towards next season with the signings of Fancy and Tularoosa. Burton loses points short term but will get them back next season when it will make more of an impact when the league starts afresh. ~THIS WEEK~ Away to Tombstone 'Arillo still available' Trojans this week, the sides are very even but Burton still hopes to pick up some points ~INTERNATIONALS~ Now! ~YOUTH LEAGUE~ Still searching for first point in the youth league for the last three seasons :-D

EW: ~LAST WEEK~ 2-0 home defeat. Burton fielded an understrength team and was rewarded with a prospect of the week who was retired 1 day later :-D ~TRANSFERS~ WOAH!!!! STOP PRESS - Bogota and Burke-Jones shown the door after angry outbursts about Burtons team selection, know one is bigger than the club and they were quickly sold following there outburst. In came the following (deep breath) Kobak, Templeton, Thornstein, Worth, Weissmeyer, Mokena, David, Baldevisio and Alvar!! That puts Exhall Wildcats SECOND in the caps department of the whole NGE, shame about the skill points total but let's not mention that! ~THIS WEEK~ An away game against FC Cosmos, another defeat but hopefully prospect of the week again.							
~INTERNATIONALS~ Rainbow, Thornstein, Kallstrom and Quintana all in line for caps. ~YOUTH LEAGUE~ Rumour has it that the 3 skills will be shown the door after the turn as they are to highly skilled ~AND FINALLY~ 46 deals done so far this season, not bad for 11 weeks :-D
