

## EINNEK NEWS

Welcome to the week 12 turn.

### Statistics Update

It appears some of my early data back-ups have a few errors in them due to file corruptions. I am picking through the errors one by one to correct them. It is a slow process but I am very close to completing the process. One done, the new data can be compiled fully and the new stats will be available to you all.

### Cruso Draw - Saturday 25<sup>th</sup> September

The new draw process has been confirmed and every manager will be guaranteed a player. However, which player you get will not be determined by a totally random draw – they will cost you money. Players will be grouped into 8 groups of 6 players and your bid will decide which group your player is drawn from. Of course, the top group of players will be higher skill then the bottom group, but every player is highly rated by Nito Cruso and are all worth getting. Full details in the next couple of weeks.

Enjoy the weekend,

*Richard.*

CH: Half way through the season & Hearts are sitting pretty at the top of the Premier with a healthy 6 point lead over WLW. It could have been more but for a drab 1-1 draw at home last week. Manager Stu Henfrey stated 'We've made a great start considering we've had 6 away games & 5 home games & being in this position was more than i dreamed of but we have some very tough matches ahead of us & providing keep suspensions & injuries to a minimum then we have a great chance of staying top for the rest of the season'. Hearts entertain rock bottom Spitfire Road this week knowing nothing less than a victory is required. Stu Henfrey also laughed at Mr SM's comments regarding being scared. 'I think Mr SM should concentrate on gaining promotion before he starts planning for a crack at the Premier next season! He probably thought he was too good to go down last year & look where that got him!'. & finally.....hands up who knows what on earth MR SM is going on about!? I wish i lived in his world!!

EE: ~LAST WEEK~ A more than expected defeat, Burton had hoped to pick up some points but was not surprised but the 2-1 defeat. Kearns barren run in front of goal has continued following his move to the Thunderdome and has had extra shooting practice in training to help overcome this. ~ TRANSFERS~ Another very quiet week for ELA, few bids put out there but with no joy. Pauchard is the latest to receive a flurry of bids but Burton is not interested in selling his prized asset! ~THIS WEEK~ Another away game (2nd of 4 in a row!!) against Veleno, again Burton hopes to pick up some points, again very evenly matched so the best Burton can hope for is a draw, however with Nazareen and Rhain out its probably unlikely! ~INTERNATIONALS~ Tularosa should play for Spain B. ~YOUTH TEAM~ The man you can set your watch by Quelle Herre Estil is performing well for a skill 1 as is Losoko so Burton will be keeping an eye on these players in coming weeks.

" ... ~AND FINALLY FINALLY~ As last week's news was cut short in its prime for printing reasons, the Black Star news team saw fit to repeat themselves .... ahem ...
