

EINNEK NEWS

Hello and welcome to the start of a new season, our seventh under this incarnation of the game. I am still waiting on news of payment from a couple of you – please email me today if you have not already or better still get the money to me right away. I have people looking for sides so will not hesitate to remove anyone failing to respect me enough. You have been warned!

Changes for Season 7

While there are no major changes to the game this season, there are a couple of things which you should all note:

1. To remove confusion the selection criteria for international selection will no mean you must play or be a substitute for your club side to be eligible for selection. Starting players will continue to be given priority over substitutes.
2. There will be a number of Youth Internationals played this season. Each nation will play 2 games on a friendly basis, but 2 IPs will be awarded to each member of the starting eleven with subs getting 1 IP. I thought the term youth international was obvious, but only Youth League players will be eligible for selection in these fixtures. Alessandro Ivanoff will provide players if required to ensure all sides have a full complement of players.
3. The 2 Youth Point award for submitting your teams in time each week has now been stopped. The penalties for not entering your side correctly will now be stiffer, so it is in your best interests to make sure you get both your sides selected each week.
4. Form dots will no longer be awarded in International matches.

Transfer Panel

Things are progressing well with the panel and the feedback is very positive. However, I need to make clear that while the members of the panel get fully used to their roles and deal which is deemed questionable will be referred to me in order to help us all ensure we are working together and considering all relevant factors when checking deals. This may mean a delay in some deals being confirmed or rejected as I am not always in a position to drop everything and check deals right away. Over the weekend this delay will usually be longer, so please be patient.

Have a good weekend,

Richard.

Last season looked better than it actually was with 3 wins on the spin setting up a unlikely 4th placed finish after being in a relegation scrap all season. Burton learnt some harsh lessons last season and will do better this season as a result! ~TRANSFERS~ Been very quiet pre season with Burton happy with his squad. However after a few weeks into the season the team could look very different which will give Burty more options to deal. However there was a signing of youth mid Illingsworth to bolster the youth team. ~WEEK ONE~ Home to Veleno, Burton knows he needs to win this type of game if he is to match his ambitions for the season. ~INTERNATIONALS~ Bravo may play for the Argies and Ljubicic for Croatia B. ~YOUTH TEAM~ ELA's youth continue to go from strength to strength and fully expect to beat Al 'Living on the Edge' Murphy's youth team today! ~AND FINALLY~ It is good to see BSO back in the Prem it has been a long time since ELA crushed them and Burty looks forward to that again in the two league games this season!</p> <p>Kenkai Veleno (433) - Galfarro 9, Axel Noel 7, Guy Vexille 7, Paisley Chubb 8, Jez Rocky 6, Thorr Jungbergsson [bk 29] 7, Kgosì Munashe 8, Hiero Enrique 7, Steve Gannaway 8, Jacob Milaberg 7, Akira Matsui 8. FC: After his amazing run of form at the end of last season, Babu Pochox has been handed the Cosmos club captaincy for the new season. Former captain Pablo Lopez dismissed claims that this would herald his immediate retirement, as follows: 'No, no, no. My knees can take another season, for sure. Babu will be a great leader for us, and will give my shoulders a rest'.

DS: Following the decline of the Ditton Youth Team over the last 4 seasons investment has begun to halt the flow of defeats, often heavy. In come 4 new transfers, 2 of which are in attack, lets hope Hirotaakeda and Brett along with Orlando can start firing the goals in. Ludolf has been brought in to give some strength to the midfield. The senior team has also seen new additions in Erlings and Summerhaven. New signings have been promised by the board with a view of arresting decline and to push for promotion this season.							
Rael Nerrad	v	Manhattan Eclipse	3-3	40,000	£50.00	51:49	Javier Eudoxio

Subs: Falcon Greencoud 6, Zachary Fass 6, Hennessy Roth 6, Tyr Ilmar Gylling -.							
ME: The Eclipse squads have been finely tuned in the close season with eleven new additions signing up across every area except the youth goalkeeping one. The senior defence has had a complete overhaul with Oystein Myksuoll Lande, himself a relatively new signing; the only familiar face in todays rear-guard. This has come at some expense with Piero Schiaparelli's departure - the silver lining being that Hey Big can now accommodate more of his promising young strikers. TEAM NEWS: 3/4 of the backline make their senior debuts today - Sinis, Vaugrénard and Coojak, whose youth performances have earned him promotion ahead of Tenby Ranchford. Cyrus Clay is left out in the cold in week 1, but Spencer Hart is keen to get him involved as soon as he can. Up front only one slot seems up for grabs and Stinelli Paz's fine recent form gets him the nod. He'll have to continue to impress however with both Roth and Redcreek - two more players the manager is keen to utilise as soon as the opportunity arises - snapping at his heels, but with Argentina B playing in week 2 Paz looks to get at least two chances to show his worth. YOUTH LEAGUE: After last season's stonking run-in, the Eclipse youngsters are yet to win in a tough division - but being able to field probably his strongest side to date today, Spencer Hart is hopeful of victory. New in-form signings Stråye and Sasic look like they could add much to the team while new introduction Deerleap gets an early chance to impress. Of all his signings this week the manager seemed most chuffed to finally land Villy Majgaard from today's opponents, Southern Cross Prophets! The tricky midfielder showed decent enough promise in his one start, and despite having three players ahead of him in the youth midfield, Mr Hart is known to be a fan and will be pondering how best to deploy his prized asset!

EW: ~NEW SEASON~ Relegation was inevitable and quite necessary to ensure long term progress for the club. The new season will probably not be much different. Burton has said all along that its a 3 year plan to get them back on the rise and knows that his 2nd season in charge will be a further building job to carry on the good work from last season. The team will be more competitive this season but doesn't expect anything especially first half of the season! ~TRANSFERS~ Its been a relatively and unusually quiet preseason for deal king Burty Burtason however he did do one piece of business and swapped the youth of Autauga for the experience of Callander, Autauga had alot of competition in defence for the South African team and Burty knows although only a short term fix this will work better in his management of the other older players. ~FIRST GAME~ Business as usual for the Wildcats who with only 2 skill points skill are no doubt in for a home defeat on the curtain raiser of Div 3 today! ~INTERNATIONALS~ Barsom, Gusty, David and Joli should all figure for the 8 internationals today with an unusual twist of opening day internationals ~YOUTH LEAGUE~ Burton aim for the season is 0 points but to score 5 goals in one season!!
