

## EINNEK NEWS

Hello and welcome to this week's turn.

### Sherwin Douglas Touring Side

Just a quick reminder. Every week the Sherwin Douglas side will play a divisional select team. No high skill players will be selected in the game and every side has the opportunity to have players selected in the game. However, if a team is not represented it will be because they have no eligible players not by way of a snub or penalty.

Have a great week,

*Richard.*

Manager Stu Henfrey knows its a long shot but with ELA &amp; Winchmore running the risk of having key players banned for the run in there is a chance that both Hearts &amp; BSO can take advantage, especially as Winchmore have to visit Hearts &amp; ELA have to entertain BSO, not to mention Winchmore &amp; ELA facing each other this week! To make that a possibility Hearts travel to namesake Georgie this week knowing only a win will keep hope alive. Hearts Directors have announced that Zeljko Trebarjevo, Shiro Mirzo &amp; Hector Arillo will not be offered new contracts at the end of the season &amp; have between now &amp; then to find themselves a new club or they will be forced to retire. They have also announced that Moses Karoo &amp; Guillermo Ospina will also be asked to find new clubs as they look to integrate more youth players into the Hearts senior squad &amp; the clubs transfer policy will be not to sign anyone over the age of 28 unless for retirement purposes.</p>

The fans disapproval was tempered somewhat by former captain Klaus Nein returning to the midfield and striking prospect Grande signing to lead the attack alongside Karadagian. Manager Lear has opted for an attacking formation to try and score his way to bonus points and survival but has told fans to expect changes over the next few weeks.

Koozi was signed from Sammy Bull and had previous played under the manager at Spitfire Road, being held in very high regard. ***** On a sadder note, the club announced that legendary Scottish goalkeeper Titus McDougal had decided to retire a couple weeks earlier than expected. He has been offered a coaching position with the club. ***** This has led the club to achieving their aim earlier than expected; in that they have an entire squad of senior and youth players which were signed from the youth ranks/bought from an agent/given their first chance to play by the manager. "A local club with a local feel is the idea." stated the manager. "Players often do well at lower levels of a club, or are signed as prospects from agents, but are never given a chance and drop out of the game early. I want players to want to come through the ranks here, or sign from an agent, knowing they will be given a chance to get in the side and show what they can do. Rather than being shipped out to get a player from somewhere else". He continued "In the past I have been guilty of this only to watch players I knew were good drop out the game, or on the occasions they were given a chance shine at another club instead of ours. This board have encouraged the local connection, and this club will shine because of it. This doesn't mean there will be no transfers, there are still players I would like to bring back if the time is right, and a player will still have to prove themselves. It won't be a job for life unless they put the effort and commitment in." <p>The score line didn't truly reflect the possession in this game with the Division One side achieving 52% of the possession in the first half and 47% in the second half. The difference was in the finishing of Sherwin Douglas' boys and the strength of the touring side's defence. Sam Arran was a giant in the centre of the home side's midfield and was my man of the match, although it was a close run thing with Nazario Robles – and it always goes to the Touring side if there is any doubt.</p> <p>Mecred Leconte, who I must say, really impressed me today, headed home a back post header from a perfectly hit Vorn Varpathian cross to give the home side the lead. In only 5 minutes. It took until the 12<sup>th</sup> minute for the touring side to equalize, with a beautiful five-pass move from defence, which Landry Nthepppe volleyed home from the edge of the area. Nthepppe and Sparrow came close to making it 2-1 in the 19<sup>th</sup> and 30<sup>th</sup> minute, but Douglas' men finally took the lead in the 35<sup>th</sup> minute, when Tarp Vandahl headed down a Digby Sherlock cross, to score through the legs of Rainer Schindzielorz to make it 2-1. Sherlock and Andrew Sparrow linked well in a clever throw-in move to just beat the home side's offside trap, for Sparrow to run the ball around the out-coming Walmington 'keeper, before cheekily back-heeling the ball over the line to make it 3-1. Sam Arran came close with a 35 yard drive two minutes later; catching Ramos Zaratiga off his line, but the ball hit the cross-bar and rebounded to the feet of the excellent Nando Garcia Luna, who calmly cleared the ball with ease.</p> <p>Three minutes from half-time, Digby Sherlock showed his style, yet again, with a magnificent solo effort, beating four men, over 30 yards, to side-foot the ball past a full stretch Schindzielorz for the visitors to go in 4-1 up at half time. Again, the Division One side held onto possession well and had 5 shots on target; all but one of them from long range through, whereas Douglas' boys had 7 shots on target and netted 4 of them – clinical finishing, that was the difference.</p> <p>The Division One Management team of Bobsta Painter and Jockster McCash kept faith with the same starting eleven for the start of the second half, waiting until the 60<sup>th</sup> minute to make 4 changes to the starting eleven, changing to a more attacking formation in the process. Sherwin Douglas brought on Big Shig for Ramos Zaratiga, who had performed brilliantly in the first half and Cilio Zabbo came on for Sherlock, who gave his all in the first half and was nursing some fairly serious bruises from Reefton Ross, who struggled to handle the pocket dynamo in the first half.</p> <p>There were efforts from Varpathian, Arran and Zorn for the home side and close-calls from Zabbo, Robles, Luna and Sparrow, but the game only truly came to life in the last ten minutes, after Luna swerved a 30 yard free kick around the wall to make it 5-1 to the visitors. 30 seconds later, Shig Koga had to pull off a full length, fingertip save from a Sam Arran snap from the edge of the area, but he couldn't stop Jocky's own man from hitting the home side's second in the 86<sup>th</sup> minute, with a diving header from an Augustin Ginastra cross. Robles completed the scoring for the visitors with a couple of minutes left on the clock, tapping home from a goal-mouth scramble.</p> <p>Bobsta and Jocky can feel proud of their men, despite the score line, and it was good to see the fans applauding both sets of players as they left the field.</p> <p>Rumour has it that Sherwin Douglas will be introducing three new players from his squad next week, to take on the Second Division side. One of them is believed to be Maurice Flintock, whom I was lucky enough to watch him train this week. The Welsh striker stands 6ft 8 inches tall and is built like a brick shithouse and really impressed in two of this week's three training sessions. The other two players seem likely to be Brazilian defender, João Paulo Fernandes, who is a cvlassy right back but the third player is a toss-up between the other squad members, Talio Barbarosa, Zagan Vivier and Fulco Taanmeister.</p>
