

EINNEK NEWS

Hello and welcome to final league turn of the current season. It does seem to have flown by and I hope you have enjoyed it as much as I have even if your results were not as good as you personally hoped.

Season Eight

The response to the end of season has been very positive and to date no one has announced their departure from the game. I am, however still waiting on a few managers to reply to the email sent out last Friday. Can I ask you to please email me if you have not done so right away. Thanks.

The changes announced earlier in the season are all summarised at the end of the turn. Please make sure you take a good look at them before doing too much with your squads for the new season.

Sherwin Douglas Touring Side

The first players will be made available during the mid-season break once the website has been reset ready for Season Eight. The full Sherwin Douglas squad will be on the website early next week.

Youth League Statistics

Rather than trying to catch my tail with the Youth League stats during a regular week, I am going to use the end of the current tournament in 2 weeks time as the time to release them. Apologies for the delay but I need to get them correct and make sure the code will compile things each turn quickly and efficiently.

Have a great week,

Richard.

Hearts know only a high scoring win will give them any chance of title should ELA or Wenchmore slip up & Disciples need at least a point to have any chance of staying up. Rumours were rife this week regarding BSO gaffa Croasy but Heasts boss Stu Henfrey was quick to refute these claims saying MEM is as honest as the day is long. However its close really close up there and with all 3 clubs (well two as the Henf doesn't really count as he is so far back!! although saying that he is probably closer than he has ever been to Old Trafford) playing at home Burton knows that only a 4 point win will guarantee the title. ~TRANSFERS~ With no suspensions still no dealing necessary in preparation for the final game ~THIS WEEK~ Its time to destroy old Croasy again. Fond memories of a final day title win are still fresh in the memory. It will be déjà vu my friend. ~INTERNATIONALS~ Reardon plays in the World Cup final this week Black Star Olympic (424) - Peter Frohlich 8, Daniel Burt 6, Iasa 8, Tom Hookton 7, Valencia Bogota 9, Lars Skovengberg 9, Ulien Quadragesimo 7, Uzzirai Taiyo 7, Jesse Dash 8, Mario McGuire 7, Cary Vidal [bk 4,so 49] 5. Subs: Piero Schiaparelli 6, Faucino Juventino 7, Gethin Willarthen 6, Joaquin San Madrigal -. BSO: ~LAST WEEK~ a less than pleasing 2-1 win over rock bottom club Spit Roast knocked Olympic out the title running for good.... but nevertheless it brought the Team of the Week performance!!!!... with goals from the high scorers of Olympics season, Schiap-man and Taiyo.... ~TRANSFERS~ not a sniff.... good job really... with all those long hard poo's about... good old Jude Atkinson ~THIS WEEK~ Its the Menatlist!.... Gaffa Croasy sends his troops to shatter the dreams of hated rival Burty.... remember season two my friend, when you nicked it off me?... well have a piece of this.... revenge pie!... ~TEAM SELECTION~ Will Aussie B sensations Burt and Vidal get starts as there nation vies for B World final supremacy... or Will Lord Dash Heart who's bagged against the Mentalists in the last three fixtures ruin their title dreams?... ~STAT BURST~ HSP ELA 31-24 BSO, AGG 32-32, MOR 30-30, FIT 108-107.... ~PREVIOUS MEETINGS~ S2: BSO 3-4 ELA (only home league defeat for BSO ever), ELA 2-1 BSO... S3: ELA 1-1 BSO, BSO 4-3 ELA... S4: ELA 3-1 BSO, BSO 1-0 ELA... Schiapman getting the winner in a hotly contested encounter witnessing two red cards... it was meant to be a title decider.... but the events at the Spiderdome took precedence as the Commodities pulled of a nigh impossible 3-1 away win at highly rated Black Widows, winning on goals scored!!!!... Cheers Spen!... S5: BSO 1-0 ELA... Lord Dash-Heart notching the only goal.... ELA 1-1 BSO... MoM Jesse Dash bagging 3 minutes from time with equaliser.... S7: BSO 1-1 ELA... Dash bagging after 5 minutes... Summary P9 W3 D3 L3 F14 A15.... ~WHERE ARE THEY NOW~ Iasa was the best player to play for ELA.... and he probably still remains that to this day... ~INTERNATIONALS~ The Aussie B's are out in force today.. Burt 36/0 and Cary Vidal 11/3 dreaming of B World Cup Final GLORY.... ~YOUTH LAST WEEK~ a stern test at Div5 pace setters Axenbridge Apostles awaited the BSO Kram machine, facing a tough ask to quash the 100% record start the JC gang have delivered... but they amazingly dropped 3 sk5's to the bench as Black Star bagged a tidy 1-1 draw.... keeping them tucked in a tidy 4th spot... ~YOUTH TRANSFERS~ a sniff of a youth introduction was muted, but the Krammers held faith with the form men already doing the business on the field with the best start to a youth league for ages... ~YOUTH THIS WEEK~ Paulo Vincente's table topping Sirocco Whitecaps... will 3-5433-53-5553 defeat MC's 4-54444-544-44???. ~YOUTH TEAM SELECTION~ Clerk Van Ten Tag who bagged on his debut, just 17, and new Krammer sensation defender, 7.00 debut, from Argentina, Riva Cobos are the highlights in an exciting squad.... ~MANAGER QUOTE~ After another great season under his belt Gaffa Croasy was left to ponder his seven seasons of life at the top of NGE... "being top of the honour league is no mean feat, and i have to thank my trainer and playing staff over the years for their input,... but to be truthful the vast majority of effort, I thank myself for! "... Whether JC will publish his overall W-D-L for NGE over the close season is unclear at this stage... but the BSO Bossman is confident of probably being top of that too.... "Lets face it" he mused "I'll be way ahead of Ice Cold and once relegated Herdo anyway!! "... "Mu Har Har" he added with an sinister chuckle.... ~AND FINALLY~ With last day games rife with rumours about match fixing and injections and super injunctions a tape has been found by the Daily Chocolate Star that sites an unnamed Manager Mr B offering the pick of his youth team if another unnamed Manager Mr C throws his game Mr B's way!!!!... the tape is unclear about Mr C's response to the above said offer... as the language is somewhat indecipherable!!!!...

Subs: Keiler Jost 6, Teodoro Padron 6, Hasegawa Haruo 0, Trejo Revenco -</p> <p>ME: The big day has arrived! Nothing is set in stone in D2 and Eclipse could find themselves promoted as champions, runners-up or consigned to another season in the same division next season with a mid-table finish. In a frank interview Hey Big said he was keen to win something as it had been so long since experiencing any success in the game, but was concerned as to his side's chances at a higher level should the club be promoted with all of his senior skilled players due for skill losses in the next half season. Mr Hart also revealed that his immediate future as Eclipse manager was only decided in the latter part of the week with the manager needing to sit down with the bigwigs to iron out a few areas of concern. TEAM NEWS: It's as you were for Eclipse today with Hart opting for his strongest individuals rather than favoured formation. Kaja Sinis' slight dip in form in recent weeks could prevent the inspirational skipper making TOY, even though he clings onto 3rd spot going into the game - a pity the manager cannot afford the luxury of 'resting' him! Axel Noel keeps out new signing Keiler Jost by a whisker. YOUTHS: As with his senior selection Hey Big opts for his strongest individuals again, dictating the 5-man strike force which failed to yield a positive outcome last week. This looks likely to be the last time the manager is forced into this formation with Dillinger Twisp likely to earn a senior contract in the close-season regardless of whether he represents the USA today. The manager also expressed his disappointment that none of his defensive introductions in recent weeks have put in good enough performances to cement their places for the following week with Jackie-Ray Morningstar next up to try to recapture his initial form. TRANSFERS: Nothing doing, nothing in the pipeline - but Spennda is certain that the youth squad in particular faces a mini-overhaul in the close season due to several promotions and of course the probable introductions of the next Eclipse wonder kids!</p> <p>Ditton Shooters (334) - Adrián César Ochoa 7, Castrense Civitavecchia 8, Arkadiusz Kovac [bk 60] 6, Baark Ven Der Nailn 7, Fabio Espinoza 7, Semyon Pechenkin 6, Zeljko Trebarjevo 9, Vicente Jaco Bès 9, Javier Eudoxio 7, Guillermo Ospina 8, Etan Buisqui 7.  Special mention to Yellowknife Industries & Littleton Rovers who both secured a second consecutive promotion, while Nighthawks, Fulhampton FC, AC Legacy and Calico Lawbreakers all proved relegation is the as big a failure as it might be by bouncing back at the first attempt.
 Thanks for a memorable league season.

Suits You and Nohat selected six of the Premier select that played last time against the Douglas select, as many players have moved to other divisions and some have simply lost form. Suits You mentioned to me that if he didn't have to select at least a player from each team, (apart from his own side, as they had no qualifiers!), he would have selected four Darwin players, as they have some of the best young talent in the division, but that was not to be.

Zee Thorbecke played as a wing-back for the home side, but found himself having to track back throughout the game, as the Douglas side, who are really beginning to gel as a team, put the Premier defence under extreme pressure for the first 70 minutes of the game, netting four times in the process; two solo efforts from Digby Sherlock, a stunning 35 yard volley from Cadan Tummelty and a back post tap-in from Arnold Sparrow. Douglas then changed his formation and worked on blanket defence for the rest of the game, allowing the Premier side to nick a goal from a Guerre Stellari header, after Renane Doné got to the bye-line and chipped an inch-perfect cross to the back post.

To be fair to the home side, they were under strict instructions from their managers not to pick up any injuries in this game, so we didn't see any crunching tackles, close man-marking or brave diving goal attempts. That takes nothing away from the touring side, who were simply magnificent today. Sherlock has struck up a great understanding with Sparrow and if anyone is lucky enough to be able to team them up in Einnek, they could have a deadly partnership on their hands.

SEASON EIGHT RULE CHANGES

In Weeks 14 and 15 the first two of the rule changes were implemented, the remainder will come into force after next week's end of season reset

- 1) The maintenance fees paid each week for the upkeep of your stadiums will increase considerably. Currently too many teams are gambling on having massive grounds just for cup and friendly fixtures where one home tie will pay a season's maintenance easily. Any side who wishes to reduce the capacity of their ground can do so without any penalty.
- 2) Many managers seem to forget the limit each player has with respect to being retired onto while too many players are being artificially maintain at skill 5 by use of constant training. The current 3 retirals limit will be increased to 5, but any time a player is trained to a higher skill by using Youth Points will also see on retiral point being used. This will give more flexibility to everyone. Changes will be made to the squad sheet pages on the website to ensure this figure is shown more clearly as any have requested.
- 3) Currently any side which draws a fixture 0-0, 1-1- or 2-2 has the potential to see a player go down if they receive a 5 performance rating with a low skill player rising in skill at the same time. Many sides play a full team including substitutes of skill 5 and above players and therefore manage to avoid this penalty while getting a nice 10 YP bonus if they win the game. From the start of Season Eight, any player getting a performance rating of 5 in such a drawn game will go down automatically even if there is no lesser skilled player eligible to go up.
- 4) There will also be some changes to the IR calculation for Youth League players to see recent form carrying more weight. This will not be a massive change, but will reward players who play well even semi regularly against players who rely solely on long term international appearances.
- 5) All players introduced using youth points are automatically youth players. It is too common that new players are promoted straight into the senior ranks while proven youth players are left in the youth team until they are forced to sign senior terms due to their age. From the start of the next tournament, all players will have to be in the youth ranks for a minimum of seven weeks (the equivalent of a single tournament) before they can be promoted to the senior ranks. Player s will be allowed to be bought and sold during this period, but will still have to wait before they offered a senior contract. **This change will be brought in at the start of the next Youth League Tournament in Week 3 of the new Season.**
- 6) Youth players who reach 10 IPs will be automatically be promoted to their side's senior squad. **Please note...This change was not previously announced.**
