

EINNEK NEWS

Hello and welcome the final turn of Season Eight. I hope you have all enjoyed the season and I look forward to seeing you back for the first games of Season Nine on Friday 16th December.

Unmanaged Sides

I would love to get new or returning managers take over the now vacant sides, so if you have anyone who might be interested in giving Einnek a go please let me know as soon as possible. If you are in contact with a former manager, then give them a nudge and see if they fancy a return.

New Season Payment

Thank you to all those who have already sent payment for the new season. You will get an email shortly (if you have not already) confirming receipt. For those of you yet to pay I will be sending out emails today with all the details you need. If you wish to make changes to your team then I must have this information quickly as I would like to do everything this week prior to the reset and not having to pop in and out doing odd things here and there. Thanks.

Have a great week,

Richard.

WB: Warmington enter this year's cup final, which is a repeat of last year's final, having never managed to beat Winchmore in 15 attempts. Whilst the majority of games between the two teams have been drawn, there are still some Warmington fans who still see finally getting one over, quoting respected pundit GC, "the second best team in Enfield" as vital as winning the cup itself. There is rumour of some kind of Gipsy curse, however Warmington manager Richard Gynn, quoted as saying "That's b*\$Ex Herdo is just a jammy b*st\$!d, is clearly dismissing this. The bookies also feel the same, dealing in cold hard facts and figures; they quote Warmington as marginal favourites to win. Will the might Warmington finally get one over Winchmore, or will "the clowns" luck continue to hold out?

<p>Mattley and Jono picked a young side, full of talent today, with one of the best looking strike-forces put out by Divisional managers. All five Division Two strikers were outstanding this week, but this was a more story of four outstanding keepers. It was only right that a goalkeeper picked up the man of the match award today and to be fair, it could have gone to any one of them. Big Shig got the nod because of his last minute, full stretch, fingertip save from an Afran Gil 20 yard bomb, but all four keepers did their bit to keep the score line down in this remarkable game.</p> <p>It's rare for a crowd to give both teams a standing ovation as they left the field, with everybody staying, nobody hitting the exits until after they had shown their appreciation. The future of Einnek Football is in good hands, if the talent on show, in this game, is anything to go by.</p>
