

EINNEK NEWS

Hello and welcome to the final league turn of the season. With both the senior and youth leagues finishing today it is a busy one for me. Good luck to everyone and do not forget the EFA Cup Final will be played on Monday along with both the international finals.

Goodbyes

Four managers are hanging up their managerial this week. I would like to pay tribute to Rob, Kai, James & Iain; thank you to you all for your support over the years and for being great contributors – good luck to you all in whatever you get up to and anytime you want to come back then just shout. We also have one manager returning to the fold after a short hiatus. So, any GCSE maths student will tell you there are 3 unmanaged sides at the moment. I would love to get new or returning managers take over these sides, so if you have anyone who might be interested in giving Einnek a go please let me know as soon as possible. If you are in contact with a former manager, then give them a nudge and see if they fancy a return.

New Season

I am going to make some changes to the website during the close season and the turn will look a little different from the new season too. I hope you will like the changes. The end of season reset is scheduled for next Friday morning, but it may be done Thursday afternoon, so keep your eyes peeled. I will be sending out payment emails soon, but the details were on the "Are you playing?" email, so please feel free to send payment when you can. Many thanks for those who have already done so.

Have a great weekend and good luck for today's games,

Richard.

MS: Satans are hoping to end another disappointing season on a high with the visit of Nighthawks this week. Both sides look set to rest key players with nothing but pride to play for. Despite another season without a trophy manager Stu Henfrey has been confirmed as Satans manager for another season & hopes are high that with the current side they can close the gap on the top 3 sides & mount another challenge for honours. Predictions - Satans Seniors 3 Nighthawks 1 - Satans Youths 2 Bukigura 3..... & finally winning is overrated, I'm proud to be British & therefore just enjoy taking part!!!!!!! N: Nighthawks 2 Black Star Olympic 1 enuf said! 'Keeper Johan Vries replaces Niildo in goal and South African duo Baark van der Nailn and Hendrik de Klerk replace Marcello Palma and Con Lafferty as Wolters switches to a 433 formation. Despite this week's game being pretty meaningless for the Hearts, Wolters has urged his players to end the season on a high and get a result against Jane Clapham's Disciples side. Both teams shared a 1-1 draw back in week 11 when Saul Bullock-Sloan put the Hearts ahead with three minutes remaining, only for Kamehameha to grab an equaliser in injury time after a slip by Palma. The Wee Hearts' place in Division Two was secured last week despite a defeat to Razz Rovers. The Gorgie youngsters had lead 2-1 not long after half time but were made to pay for defensive errors as they slipped to a third defeat of the current tournament.</p>

In less positive news, a serious injury to burgeoning young star Cassan Redd threatens his development, as he misses out on a youth international game, as well as the next few youth matches. **** NEWS ITEM OF THE WEEEEK *** RN: Last game of the season for Rael sees Wisdom Sanders make the starting line-up having been promoted from the youth team after impressing in nearly four seasons. He has promised to get goals for the team as they aim to gain promotion next year. The only other changes are Bjendervaten in at left back and Siqueira between the sticks. It's all change in the youth team though with no less than 5 players making their debuts. Recent academy recruits Ake Petter, Appelido, Blacksmith and Workiki are joined by recently bought Dove in the first eleven. German striker Braams misses out with injury and it could be a few weeks before he's back in contention and manager Lear is hoping that the enforced lay off will make him more determined to 'bang the goals in' and become a star of the future. There are rumours circulating that Rael old boy and combative midfielder D'zito, as well as Eudoxio, could be on for a return to Paralell Park. Though as yet there has been no official comment regarding these rumours.</p>

<p>Mossy and Welto found themselves having to select players from the edges of the squad, due to the one player per team rule, as seven of the top selections play for Manhattan Eclipse as the Big Spender has been investing in some of the best young talent in the game in recent months. It showed in the result, with players like Wilf Braddock, Gaylord Vaggers, Zubin Collimore, Cedric Bellion and Dillinger Twisp sitting this one out, The Division One side struggled to handle the impressive Douglas side.</p> <p>As last week, the star of the show was Joos Nekkers, who hit the net in the 1st, 45th and 82nd minute, to help the All-blacks to a well-deserved victory. Galeno Colon replied with a solo effort – a run from his own area, which will be in the running for the goal of the season.</p> <p>I counted 14 managers watching this game and numerous scouts and although they were mostly here to see Nekkers, a few of them would have left with Colon's name in their notebooks!</p>
